Title	Episode#	Date	Duration	Stars/Comments
Genre: Early Dramatic Anthology		Various	15 min.	"Hello there, this is the Family Doctor." So opens the weekly story of Dr. Sam Adams , a wise, humorous doctor in a small town who doubles as the community's physician and moral compass. Dr. Adams extends his 'treatments to issues from robbery to suicide, armed with common sense and gentle moral judgment. Though his old-fashioned remedies for sickness are somewhat outdated compared to modern medical practice, The Family Doctor's attitude towards life transcends time. Only 12 of these 39 episodes were aired. Shows signs off with, "This is the family doctor. I'll be in to see you again right soon. Goodbye..."
